OUTCOME

On the successful completion a Statement of Attainment for: **AVIY0028** – Operate remotely piloted aircraft in excluded category Sub-2 kg operations is issued.

Imagine being able to provide your clients with either video or photo overviews of the site that you have just located and marked up. An excellent method of providing added value to clients – set yourself apart from other locating companies and do it legally.

The nationally recognised Statement of Attainment in Remotely Piloted Aircraft Operations in Excluded Category Sub-2 kg teaches you the skills to plan flights, conduct pre-flight checks, perform critical controlled manoeuvres, and complete post-flight documentation in sub-2kg Remotely Piloted Aircraft Systems (RPAS).

LEARN NEW SKILLS

Through a mix of theory and practical coursework, learn to:

- Identify flight requirements and plan flight
- Perform pre-flight inspection of RPAS hardware and software
- Take off, conduct climb and control RPAS in flight
- Identify and manage abnormal or emergency situations
- Descend and land RPAS

DEVELOP YOUR TALENT

Develop the attributes to help you get ahead:

- Good problem-solving skills
- An interest in technological trends
- Good dexterity and hand-eye coordination
- Ability to multitask
- Good spatial and situational awareness
- Fluency in basic digital communications skills
